In Brief

Concession extended

PHARMANIAGA Bhd's concession to privatisation of the Makmal Ubat dan Stor (Medical Laboratory and Store) of the Ministry of Health has been extended for another 10 years. The terms and conditions governing the extension will be negotiated by the company and the ministry within the next six months. "We are confident that we will be able to agree on the new terms and conditions to secure renewal of the concession," Pharmaniaga's managing director, Mohamad Abdullah said in a statement yesterday. Pharmaniaga is a member of the UEM Group of companies.
